

LIGHTS (LUMINAIRES)

This product category description is to be used in conjunction with the “Overview of ARL’s Listing, Labeling and Follow-Up Inspection Services” (LSc001) which details ARL’s system requirements for obtaining a listed product certification.

This includes the following subcategories:

- **Lights (Luminaires)**

Lights (Luminaires)

The products listed here cover luminaires for use in non-hazardous locations that are intended for installation on branch circuits of 600 V nominal or less between conductors in accordance with ARL requirements, the Canadian Electrical Code, Part I (CE Code, Part I), and the National Electrical Code, NFPA 70.

Each product is marked with the name or trademark of the (manufacturer) or vendor, a distinctive type, style, model or catalog designation, date code, electrical ratings, electrical hazard warnings, wiring diagram, and other markings and cautionary warnings as required for specific types of products.

These products comply with ARL requirements which include pertinent sections of **the Standard for Safety, UL 1598, Luminaires**. These requirements **do not** cover luminaires covered by other safety standards.

A product that contains features, characteristics, components, materials, or systems new or different from those covered by the requirements in this Standard, and that involve a risk of fire, electric shock, or injury to persons shall be evaluated using the appropriate additional component and end-product requirements as determined necessary to maintain the acceptable level of safety as originally anticipated by the intent of this Standard. A product whose features, characteristics, components, materials, or systems conflict with specific requirements or provisions of this Standard cannot be judged to comply with this Standard. Where considered appropriate, revision of requirements shall be proposed and adopted in conformance with the methods employed for development, revision, and implementation of this Standard.

Only products which properly bear the ARL Listing Mark (Label) are considered Listed by ARL.
